to as "Seller"), and (2) Trinity Broadcasting Network, Inc., a  
nonprofit California corporation (herein referred to as "Buyer").

**W I T N E S S E T H**

WHEREAS, Seller holds a valid, current, and unexpired  
construction permit issued by the Federal Communications  
Commission (herein referred to as "FCC" or "Commission") to  
construct and operate a low power television station on Channel

File Number BPTTL-810317IW) herein referred to as  
"Station"); and

WHEREAS, Seller is desirous of selling and assigning  
Station to Buyer, and Buyer is desirous of buying and acquiring  
Station from Seller;

NOW, THEREFORE, in consideration of the premises and of  
the mutual promises and covenants contained herein, Buyer and  
Seller, intending to be legally bound, hereby agree as follows:

1. Assets Sold and Purchased. Subject to the approval of  
the FCC and to the terms and conditions hereof, Seller agrees to  
sell and Buyer agrees to purchase the following assets, all of  
which Seller agrees are free and clear of any and all liens and  
encumbrances of any nature whatsoever:

a. FCC Authorizations. All FCC authorizations and  
applications for construction and operation of Station as listed

in Exhibit A.

b. Technical Data. All Seller's schematics, blueprints, engineering data, and other technical information pertaining to the construction and/or operation of the Station.

c. Cash and Accounts Receivable. No cash, bank deposits, or accounts receivable of Seller are to be sold or assigned hereunder; and the same are expressly excluded from this Agreement.

~~d. Leases. Seller's rights for the antenna/transmitter site specified for the Station (Exhibit B).~~

2. Amount of Purchase Price. In consideration for the sale, assignment, and conveyance to it of the assets listed above, Buyer agrees to pay Seller THREE THOUSAND AND NO/100

a. Taxes. All federal, state, and local taxes, if applicable to the purchase and sale contemplated hereby, shall be borne by Seller.

b. Prorations. Any and all taxes and assessments of any nature and kind, if any, shall be prorated as of 12:00 midnight of the Closing Date.

~~c. Transmitter Site. In the event Seller is unable to provide, for whatever reason, the assignment of its lease, purchase or title rights in the antenna transmitter site specified in the Station's construction permit (Exhibits A and B), or in the event said antenna transmitter site is~~

*gdk*  
~~unavailable, unsuitable or unuseable for construction of the Station, for any reason whatsoever, the Buyer shall have the option, to be exercised in its sole discretion, to either: (a) pay one third (1/3) of the purchase price (i.e. 33.33% of \$3,000.00 equals \$1,000.00), or (b) cancel this Agreement and thereby extinguish any and all rights, or obligations either party has to the other. 3. Payment of Purchase Price. The purchase price specified in paragraph 2 above shall be payable in cash on the Closing Date.

4. FCC Approval.

a. FCC Approval Required. Consummation of the purchase and sale provided for herein is conditioned upon the FCC having given its consent in writing, without any condition materially adverse to Buyer, to the assignment from Seller to Buyer of all FCC authorizations of Seller relating to the construction and operation of the Station, and said consent having become final. For the purposes of this Agreement, such consent shall be deemed to have become final after it is granted and published and when the time for administrative or judicial review has expired and when the time for the filing of any protest, petition to deny, request for stay, petition for rehearing, or appeal of such order has expired and no protest, petition to deny, request for stay, petition for rehearing or

5. Closing Date and Place. The Closing shall take place within twenty (20) days of the date of the Commission's consent to the assignment of Station to Buyer becomes final (as defined in paragraph 4.a., herein), provided the conditions specified in this Agreement shall have been met, such date to be mutually agreed on by the parties, but within the effective period of the Commission's consent (the "Closing Date"). The Closing will take place at the offices of Colby M. May, Esq., 1156 15th Street, N.W., Suite 515, Washington, D.C. 20005, or at such other place as Buyer and Seller may select.

INSTRUCTIONS

Applicants seeking authority to construct a new low power television broadcast station, applicants seeking authority to obtain assignment of the construction permit or license of such a station, and applicants seeking authority to acquire control of an entity holding such construction permit or license are required to afford equal employment opportunity to all qualified persons and to refrain from discriminating in employment and related benefits on the basis of race, color, religion, national origin or sex. See Section 73.2009 of the Commission's Rules. Pursuant to these requirements, an applicant who proposes to employ five or more fulltime station employees must establish a program designed to assure equal employment opportunity for women and minority groups (that is, Blacks not of Hispanic origin, Asians or Pacific Islanders, American Indians or Alaskan Natives and Hispanics.) This is submitted to the Commission as the Model EEO Program. If minority group representation in the available labor force is less than five percent (in the aggregate), a program for minority group members is not required. In such cases, a statement so indicating must be set forth in the EEO model program. However, a program must be filed for women since they comprise a significant percentage of virtually all area labor forces. If an applicant proposes to employ less than five fulltime employees, no EEO program for women or minorities need be filed.

Guidelines for a Model EEO Program and a Model EEO Program are attached.

NOTE: Check appropriate box, sign the certification below and return to FCC:

☒ Station will employ less than 5 fulltime employees; therefore no written program is being submitted.

☐ Station will employ 5 or more fulltime employees. Our 5 point program is attached.

Dear Mr. Tricarico:

Filed herewith, in triplicate, on behalf of the Trinity Broadcasting Network, Inc. (TBN), is a minor change application concerning the referenced television translator. This application involves a channel change from Channel 64 to Channel 33, and is necessitated by the recently granted authorization of KVVU-TV, Channel 64, Barstow, California. This application is therefore being submitted in accordance with the new standards enunciated by the Commission on February 27, 1987 in its Report and Order in MM Docket No. 86-286, FCC 87-44.

This application also contains a request for waiver of rule 74.705(a). As is shown in greater detail in the allocation study included in the engineering portions of this application (Engineering Exhibit F-1), no predicted interference to any full or low power television facilities is calculated. However, with regard to KMEX-TV, Channel 34, Los Angeles, California that conclusion is based upon calculations using KMEX's actual Grade B contour, which is different from its predicted Grade B contour due to a significant beam-tilt in its signal. Accordingly, since TBN's proposal employs use of KMEX's depression angle correction in verifying that its proposed channel change for K64AT will not cause interference to KMEX, a waiver of rule 74.705(a) is respectfully requested.

In this regard it should also be noted that if TBN was here proposing the use of channel 33 as a full power facility, rather than a television translator, depression angle correction measurements would automatically be used in accordance with rule 73.684(c)(1). Moreover, TBN represents as part of its application that it will take whatever steps are necessary to

correct any interference problems which may occur, although none are predicted.

Finally, since the channel change requested in the attached application is defined as a "minor change" in accordance with the Report and Order in MM Docket No. 86-286, no fee is required.

If any questions should arise concerning this matter, kindly contact the undersigned directly.

Respectfully submitted,

TRINITY BROADCASTING NETWORK,
